

# Mp3 Groove Factory Conobus - Yeah Man

[DOWNLOAD HERE](#)

Dance fusion /funk/jungle rock fused 12 MP3 Songs ELECTRONIC: Dance Details: BIO Stephen Bastien was raised in the Caribbean where he experienced playing in a steelpan orchestra. When he moved to London he joined the British Airways Groovers, a steelpan band that travelled internationally for five years. In 1991 he joined a hard rock band called Illegal Attitude as a bass player. They toured Sweden, Germany, Spain and played in many London venues like the Marquee, the Boarderline, the Garage and the Rock Gagden. In 1995-1999 he joined the Royal Family as a bass player and a co-writer. The band played at the Phoenix Festival in 1996, made a TV appearance for Channel 4 at the Basement music program and supported Rachel Stamp in different venues. Stephen has been busking at Leicester Square, Covent Garden and other UK holiday destinations with international musician playing music as varied as pan pipes fusion to modern flamenco guitar. At the moment he is setting up the Groove factory company with the intention of selling his own dance music to independent labels etc. Groove Factory (Conobus) original dance tracks for sale.
