Hit hip-hop music with a new melodic approach. 20 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: I.P. is a hip-hop group consisting of two emcees/producers who go by the names of C Goods and PeaDi Ecks (pronounced PDX). Both members were working with a mutual producer when they discovered each other's talents. After meeting, C Goods and PeaDi Ecks went straight to the studio and recorded a song called "Walking Away." Ironically they both saw the impact they could make together if they just "walked away" from that certain producer and worked with each other. That is how the group I.P. was formed. Both emcees were striving to reach the top of the music industry on their own but once their paths intertwined (I.P.= Intertwined Paths) they both knew their chances were greater. Their debut album "1 Way 2 Go" is stacked with 20 tracks produced all by I.P.. Some tracks you might want to listen to: Track 10, "Do You Remember?" is about I.P.'s struggle to move away and form their own identity. Track 2, "You Got Caught" is about all those people out there doubting I.P. and their determination. Track 18, "One Thing 2 Wish For" is C Goods' favorite song on the album. The song is about having a dream, and following it, despite all the people that disagree or think it's unrealistic. There is over an hour of music on the album, with beats ranging from East to West Coast, along with a Down South groove. The album's songs portray I.P.'s outlook on life and give a great look at the life of both of the artists.
