a blend of trop-rock folk and pop of original and cover music 13 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Rock Details: The Junkanoo Brothers are three friends(sometimes four or five) brought together by a common love of music and anything on or near the water. Hailing from the Gulf Coast and the Great Lakes area, they play an original blend of tropical,folk,pop(and whatever else may strike them at any given moment). The Junkanoo Brothers have played in venues from the shores of Key West to the islands of the Great Lakes with many stops in-between,making new friends along the way. As always "EVERYONE IS A JUNKANOO"!
