Edgy pop-driven folk rock 9 MP3 Songs POP: Folkly Pop, FOLK: Folk-Rock Details: Kristin is a fast rising singer/songwriter hailing from Richmond, Virginia. A classically trained guitarist, she blends well-crafted compositions with her unique voice into her own brand of acoustic rock. Kristin started gracing the stages of her hometown bars and coffee shops at age 17, and has since released 3 independent CD's with the help of notable musicians: members of the Pat McGee Band, Red Redling (New Potato Caboose), and engineer John Morand (Hanson, Joan Osborne, Carbon Leaf). Known for her infectious live performances, Kristin has shared the stage with Ember Swift, CommonbonD, Bitch (of Bitch and Animal), among other diverse artists. Kristin's most recent full length CD "Torn" was produced by Rich Stine (Fighting Gravity).
