[DOWNLOAD HERE](#)

A collection of Smooth Jazz songs featuring piano and with a style that is flowing and flawless as he glides effortlessly over the keys. 10 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Free Jazz Details: Nathan T. Duncan is a prolific song writer who has written and produced 4 albums. His piano style is flowing and flawless and he glides effortlessly over the keys. He has combined with many other jazz greats to enhance his music and achieve the sound that he desires. His music always comes from the heart and reflects the many experiences he has encountered in his life. He has performed many concerts on the East Coast before relocating to the Los Angeles area. Since coming here he has continued to perform in restaurants, clubs, on cruise ships, etc. He has accumulated a following that are always on hand to experience his new endeavors. He is an artist who loves to perform and make people happy, which also reflects his personality. Having followed his musical pathway from the tender age of three, when he gave his first public performance, I can truly say that his musical genius has portrayed a "Ripple Effect."
