Here are 20 new outlaw Texas country songs with a gulf coast perspective. True cross-genre songs from easy listening to country, and from gospel to country rock. 20 MP3 Songs COUNTRY: Outlaw Country, EASY LISTENING: Love Songs Show all album songs: A Texas Catch Songs Details: welcome to our new cd site where 20 new songs can be sampled... there are 79 minutes of music on this 80 minute cd... this is as full as a cd can get with true Texas music from gospel to country to rock... and this is true independant Texas music even free of label representation... these notes are gifts from tide, with the soul of the tide... we wrote these songs, sang these songs, recorded these songs, and played the guitar arrangements on these songs with of course the help of a bassman, and a drummer... These songs are free of any undue influences... they are true works of art merely expressing what the songwriter has observed in his Texas gulf coast surroundings.... they are not shy, and are extremely patriotic, and in every effort possible politically incorrect...
