

Mp3 Ruut Ep - Pop: Piano

[DOWNLOAD HERE](#)

A timeless songwriter already in her 20's, her memorable melodies and lyrics fuse folk and pop with a soulful and flawless performance. 6 MP3 Songs POP: Piano, FOLK: Folk Pop Show all album songs: Ruut EP Songs Details: It's rare for a young artist to write and perform music immediately timeless, defying categorization yet with enough broad appeal to make a street corner in London work as well for her as a 2,000 seat theater with Delbert McClinton. Growing up in Finland, with music always at the center of her life, Ruut has been able to accomplished what many singer/songwriters only dream of; to find the voice that is uniquely her own, and possess the talent to convey her passion to a remarkably wide audience. Unique challenges faced in her young adulthood instilled her with determination to exceed expectations and have added depth and poetic power to her lyrics. Ruut has been honing her songwriting skills co-writing with host of hit songwriters including Jeff Trott (Sheryl Crow, Stevie Nicks), The Matrix (Avril Lavigne, Josh Kelley) and Guy Erez (Gipsy Kings, Ryan Cabrera) and recording an already impressive catalogue of songs with producers such as John Schreiner (Sam Phillips, Cher), Heather Holley Rob Hoffman (Christina Aguilera, Paul Westerberg, T-Bone Burnett) and Saul Zonana (Ben Swift, Spin Doctors). As soulful as Alicia Keys, as lyrical as Sarah McLaughlin and as timeless as Carole King, this emerging artist is bound for major recognition. In October 2007, Ruut celebrated the release of her self titled 6 song EP, co-produced with Paul Buono, with a West Coast tour. Through the end of 2007 she'll be finishing a debut full length recording for an Asia/Scandinavia release, and plans to tour constantly through Spring/Summer 2008.
