Intelligent mixture of Ambient, Electronica and Downtempo with soundtrack influences. Instrumental gapless album 7 MP3 Songs in this album (44:14) ! Related styles: ELECTRONIC: Down Tempo, ELECTRONIC: Ambient People who are interested in Massive Attack Hybrid Trentemller should consider this download. Details: The amazing new ambient-electronica instrumental album of composer and producer Jrg Httner aka "Saros" contains the music for the art exhibition event Labyrinth which took place at the Strychnin Gallery in Berlin in 2008 presenting Canadian artist Richard A. Kirk and Benelux-based artist Raf Veulemans. The gapless album is the perfect music to sit back, relax and enjoy and it is a perfect successor to the first "Saros" album "soundscapes", which is still available as download. Jrg Httners capabilities in music production and synth programming are often used by synthesizer manufacturers, music software companies and renowned Hollywood film composers. Besides the great down-tempo instrumental score-inspired music the album cover is an art piece by Richard A. Kirk called the riddle. Richard drew the album cover of US metal superstars Korn for their untitled album amongst other work. The beautiful 6-panel Digipack CD with a 12-page poster-fold booklet contains additional art by Richard A. Kirk and an excerpt of a novel by writer Tim Mizelle, which is based on and inspired by Richard A. Kirks art.
