Funk,R&B,and Soul done the old school way with dashes of hip hop 10 MP3 Songs URBAN/R&B: Funk, HIP HOP/RAP: Alternative Hip Hop Details: I was born in Los Angeles CA, in 1968, all my life I've like music the very first instrument I've wanted to play was the Drums, but being a kid growing up in Los Angeles in the 70' with four other sib's was not going to cut it so in the early 80.'I took \$50 buck my Dad gave me, to buy some Shcool cloth with, I bought my first Guitar and the rest was history. I listen a lot to Prince He was my Influnce. I went from the guitar to the keys, and so on. I use to use tape to tape to record, then I brouth a four track Tascam and now I'm recording the right way. I use to tell my buddys to do the same as I've done to get where I'm at and not to let nothing put you done, if you fall get up you can try again and again, see you can't cry if you try but if you don't try you can.
