A blend of electronic beats with sensual vocals and african rhythms, moving from pulsing club tunes to ambient chants. 12 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Trance Details: "If you love powerful ambient/electronic music you must get this CD. If you enjoy quality songwriting and musically innovative production, you must get this CD. If you are seeking a truly unique listening experience that will take you on a cultural, spiritual, and mystical journey, you must get this CD...today!" says Gian Fiero of Musesmuse Sonicjoy is more than just a band, it is an experience! Sonicjoy effortlessly and intelligently blends musical styles, textures, and influences throughout this entire project, combining ethnic chants, world percussion, and jazz influences over beds of progressive trance, ambient breaks and house. Icy vocals add distinction, personality, and emotion to the arsenal of aural stimulants. The live band consisting of Joyelle Brandt (vocals), Sam Ryan (Bass), Rick Rodney (Guitar), Adrian lock (drums and percussion) and Shawn Jacobson (Keys, sampler turntables) have a phenomenal orchestral chemistry and have electrified dance floors from festival showcases to the urban club scene. The debut album "Urban Angel" was released on February 8 th 2004, and has received major industry recognition. The album's single "New Again" was chosen as the provincial winner of Canada's National Songwriting Competition in 2004.
