Featuring "Sing My Blues Away", "California For You" and "On Top of the World", listen to the powerful vocals of Davey Pattison (Robin Trower, Montrose) sing of deeply-felt life experiences and joys. 7 MP3 Songs FOLK: Folk-Rock, ROCK: Adult Contemporary Details: Producer Pete Sears (Rod Stewart and Jefferson Starship), crafted a gem of an album. The world-class musicians and the smoky, well-traveled, love-scarred voice of Davey Pattison (Montrose, Robin Trower) are soulful. Take a melodic and memorable journey through Steve Shoens wonderful music and lyrics. Everyones had the blues. Everyone's danced in the sun. This On Top of the World album spins life's stories. Rain and tears mix when your baby says good-bye. Remember passionate kisses at the drive in movies. Squeeze precious golden days in your hand like a nugget. The early morning steam is risin from the Russian River. Feel your soul being torn apart, only to find a sunlit smile of new love filling your eyes with new hope. Tunes vary from the picturesque "California for You" to the moody gypsy blues of "Sweets and Crmes".
