

## Mp3 The Housekeeperz - Bodies Movin

[DOWNLOAD HERE](#)

House, Circuit/Club, High Energy/Tribal. 5 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: House  
Details: Here they are The Housekeeperz, willing and ready to bring the world a brand new clean taste in music. Coming back from collaborating with singer Ceevox on the billboard smash hit "Wurkin". And most recently finishing up their latest up and coming hit "Bodies Movin" featuring the vocal talents of Angel Infinity. The Housekeeperz which consist of awesome outstanding talents such as Producer/Writer Barry Huffine, popular circuit DJ/Producer Alyson Calagna, plus collaborating with many times with published songwriter Joshua Kassar. They are back in the studio and working very hard to deliver brand new dance floor fillers featuring various artists such as The Nuyorican Papi Chulo Angel Infinity and the super talented soulful male diva singer Michael Boone. The music they bring is a mix from full-on audio assault of deep bass, tribal percussion with just the right amount of high energy keyboards that will surely convince everybody towards invading the dance floor in a fraction of a second. None the less, the Keeperz are hard at work and moving ahead like a rocket full force. Their music and style flows through their veins, but their lyrics come from the heart and life experiences. So be on the lookout 'cause The Housekeeperz are here to stay and blow that dusty mirror ball away. Lastly don't forget to check the "Sounds" section to hear their music and also to purchase their records from "Purchase Records." PR by JustJosh. PURCHASE RECORDS present the newest single follow up to "Wurkin" from Billboard recording artists THE HOUSEKEEPERZ. This new single soon to be released, features the wonderful speaking voice of Nuyorican Papi - ANGEL INFINITI describing an euphoric experience at the club. Listen below to this full on audio assault of deep bass, tribal rhythms, and just the right amount of high energy keyboards to assure that there will be "BODIES MOVIN" on the dance floors all over the world.
