Discover How To Transform A Hard Drive Packed With Resell Rights Products Into A Instant Cash Vault Of Profits Handle Every Aspect Of Selling A Profitable Packages Including Managing & Contacting Users, Automating, Paying & Contacting Affiliates, And Simplifying Sales Management Dear Infopreneur, Let me ask you a quick question . . . How many resale/master resale rights or private label products have you purchased over the years? Lots? Now, how many of them are just sitting on your hard drive gathering dust? If you are like me its probably hundreds. Ive bought stacks of great products over the years that I just never got around to doing anything with - (Setting them up on their own is time consuming, and one thing most online marketers dont have is bags of spare time.) If you could only get round to doing something with these products they could pull in huge profits for you... What if a solution existed that allowed you to transform your collection of resell rights products into a killer reseller packages just like all those youve purchased in the past? An easy to use application that effectively managed everything from creating one or multiple packages, compiled the sales page, managed bonuses, handled customer and affiliate management, monitored transactions - all from one streamlined admin panel. Oh yes, and

allowed you to accept both ClickBank and PayPal to accept payments. Im sure that sounds like an appealing idea... Well the solution now exists and its called Reseller Power Cart You Must Own This Amazing Software If: * You are Sat With A Hard Drive Full Of Resell Rights Products That are not Making You Any Money. * You Hate Creating Sales Pages Or Simply Dont Have Time To Waste Setting Up Web Sites. * You Want An Easy To Use Streamlined Cash Generator To Power Up Your Profits. * You Want An Affiliate Program That Practically Manages Itself And Can Be Set Up In Minutes Not Weeks Or Months. * The Thought Of Setting Up A Payment System Or Integrating Payment Processors On Your Sites Keeps You Awake At Night. * You Dont Want To Pay Hundreds Of Dollars For Other Scripts That Need To Be Integrated With Each Other To Do What This One Script Can Do. * You Want A Solution That Will Enable You To Add Or Update New Products And Packages On The Fly. * Youd Like To Be Able To Track And Monitor All Sales, Transactions, Customers, Affiliates Just Like The Pros * Need An Application That Allows You To Mail Out To Your Customers And/Or Affiliates Whenever You Like So You Can Sell More On The Backend. * You Realize That Successful Marketing Means Focussing Your Time On The Things That Matter Not Spent On Program Setup Or Messing Around With Software Here is A Quick Summary Of What You will Receive: * Full Instructions On How To Use Reseller Power Cart Even A Complete Newbie Would Understand (Built Right Into The Script With A Walkthrough Thatll Have Your First Package Ready In No Time.) * The Amazing Reseller Power Cart Software That Will Allow You To Create Packages Quickly And Easily Without Any Kind Of Html Knowledge. * A Built In, Comprehensive Affiliate Management Module That Lets You Search, Add, And Contact Affiliates With Ease. The Affiliate Panel Is Rammed With Features: View, Edit, Change All Your Affiliate Details. Add Promotional Tools Section Including Signature Lines, Newsletter Ads, Top Sponsor Ads, Solo Ads, And Banners * Complete Sales Statistics Including Daily, Weekly, And Monthly Stats * A Built In, Customer Management System That Allows You To View, Edit, Export, And Contact Customers Whenever You Want. * An Integrated Transaction Manager That Lets You View All Transactions, Or Specify A Reporting Period For Specific Transactions. You Get Complete Sales Stats * Integration With Paypal And Clickbank! (With The Option To Accept Payment With One Or Both) Have you noticed how many of the Online Gurus are selling these big packages and making vast profits because of it? These packages sell simply because customers love to get great deals and added value when they make purchases . . . . . . If youd like a share of those profits without spending months setting up your web sites or spending

thousands investing in multiple scripts and software to manage it then Reseller Power Cart is the answer youve been waiting for. If youve read this far, I am sure you realize how powerful Reseller Power Cart is, and how it could transform your business profits overnight. Youre probably already thinking to yourself, This Sounds Amazing But Its Going To Cost Me A Fortune If you look around the net at comparable scripts you may be expecting this to cost hundreds or even thousands of dollars... But youd be wrong, Reseller Power Cart is very affordable and could be paying for itself almost immediately. It would be terrific value at $497.00 (it would but it isnt) It would be an Amazing Bargain at $297 (yes it would but it is not that either) At $197 it would be a no brainer (but its not even that) In fact you can get your own copy of Reseller Power Cart for just $4.99!
