Scott is not your average high school senior. He likes to look at life through the lens of a high definition video camera and could easily have become a voyeur, until he meets the man of his dreams, Cody. Cody introduces him to the world of website adult video and Scott finds a talent he never knew he had; he can see what really turns a person on and capture it with his lens. And then, Cody disappears. Setting out on a journey to bring back his one true love, Scott comes of age in a series of exploits traveling from Florida to Wyoming. As he turns the lives of those he meets into movies, his life becomes one part adventure, one part comedy, one part romance, and always, totally raunchy fun. Somehow Scott makes you seriously consider buying a video camera, renting a cabin in the Rockies, getting spanked with a leather belt, finding a barn in Tennessee, and baking a blackberry cobbler; never once doubting that there's something kinky about every one of them! Scott wanted to be in the middle of things, so he became The Auteur.
