Both a traditional and gripping Crime novel and a tale of female domination dealing with perverse female empowerment and male castration. Three men have been found naked on golf courses. Their connection? All have been castrated. In her race to find the perpetrator before theres another victim, DCI Kate Berenson will find herself challenged by a woman abusing her disabled husband, a dominant ex-debutante and her pussy whipped and paid for middle-aged lover, a needy ex-husband, and her own

sexuality. There will be another victim, just the same, and this one will be the most troubling of all.

WARNING: Story contains scenes of an explicit sexual nature.
