It is a dark and sexy night.....when business manager Natalie Brighton arrives at her employer's remote mountain castle. With a reputation almost as scandalous as the exotic, forbidden nature of his paintings, John Sartain indulges his sensuality...something she can't resist any more than she can resist him. But someone is trying to discredit him a threat that could cost her this job. Worse, Natalie finds herself in the increasingly sinister hands of someone who might wish her real harm. Lascivious games, secrets and sensuous desires... Is it just a part of Sartain's seductive world, or is Natalie setting herself up for the ultimate fall?
