

Imputed Rights: An Essay In Christian Social Theory - Robert Andelson

[DOWNLOAD HERE](#)

Thoughtful and informative, this essay is an analysis of the basis and nature of human rights. Arguing that human rights is an issue that is often invoked but seldom intelligently considered, this record examines concrete, immediate, moral, and social issues, including birth control, taxation, welfare, private behavior, and military service. Noting the inadequacies of non-Christian positionssuch as the radical-humanist, utilitarian, and self-realization approachesthis account develops an original thesis in which the absolute ground for rights is the will and grace of God.Author: Andelson, Robert Publisher: Shephard-Walwyn Illustration: N Language: ENG Title: Imputed Rights: An Essay in Christian Social Theory Pages: 00192 (Encrypted EPUB) / 00000 (Encrypted PDF) On Sale: 2011-01-01 SKU-13/ISBN: 9780856832727 Category: Religion : Religion, Politics & State
