

Inuit Women: Their Powerful Spirit In A Century Of Change - , Kyra Mancini

[DOWNLOAD HERE](#)

Inuit Women is the definitive study of the Inuit during a time of rapid change. Written shortly after the creation of Nunavut, a new province carved out of traditional Inuit homelands in the Canadian North, this compelling book combines conclusions drawn from the authors' fourteen years of ethnographic research with the stories of Inuit women and men, told in their own words. Inuit Women also explores global issues: the impact of rapid social change and Canadian resettlement policy on Inuit culture; women's roles in society; and gender relations in Baffin Island, in the Eastern Arctic. Billson and Mancini also include an extensive section on how the newly created territory of Nunavut is impacting the lives of Inuit women and their families. This book stands alone in its attention to Inuit women's issues and lives and should be read by everyone interested in gender relations, development, modernization, globalization, and Inuit culture.
