FOLK: like Ani, ROCK: Folk Rock Details: The southern New Jersey native began her musical career in the late '90s and quickly built up a strong word-of-mouth following by playing college campus venues in West Virginia and Philadelphia. Since moving to Atlanta in 2002, Andrea has amassed a sizable following through performances at such well-known Atlanta venues as Eddie's Attic, Smith's Olde Bar and Red Light Caf. Andrea cites the Indigo Girls, Dave Matthews Band and Janis Joplin among her strongest musical influences. In 2007, the combination of her dynamic personality and distinct writing style was captured in her first full-length studio album, Until Now. The album shows an increasing diversity and some of her strongest songs to date, including Atlanta favorite "Drink from the Cup."
