Before his migration to the United States, BA-C received a degree in music (though he received other degrees in Communications/Multimedia and Computer Network Engineering respectively here in the United States). BA-C has a very strong worldwide musical background. He had been traveling and working with International Organizations like the Lutheran World Federation and World Council of Churches both in Geneva, Switzerland (to mention a few) as a music resource person. He studied music composition in the Philippines under great composers like Dr. Francisco F. Feliciano who conducted the Philippines Philharmonic Orchestra of the Cultural Center of the Philippines (CCP), and Dr. Santos - composition professor of University of the Philippines (UP). BA-C also took voice lessons under Professor Joel Navarro. In his compositions, BA-C used his African, Western and Asian musical experiences to explore and reach out to different diverse cultures of the world through his music. The track, "The Lord Our God is Good" which is an antiphonal praise, is a true example of that. BA-C traveled with Youth Encounter Team "New Dawn" based in Minneapolis, Minnesota few years ago. Don Moen, Ron Kenoly and other Integrity Hosanna Musicians have been BA-C's inspiration. BA-C now lives in the San Francisco Bay Area in California and continues with his music career. BA-C's next music project is a Hip Hop Gospel Album in the footsteps of Kirk Franklin and Mary Mary etc. You got to check it out. Thanks for being a part of this and remain blessed always. His love, peace and joy, BA-C
