True hip hop reminiscent of the mid 90's but with a fresh unique feel...positive vibes, dope emcees... 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: With a style firmly rooted in the underground and rhymes transcending the genre, BC grabs what's familiar, flips it and assaults the mainstream with a sound that is true hip hop, yet unique and groundbreaking. Sean, Eric, and Stibs have honed turntablism, combined it with energetic, unique wordplay, and created some fresh hip hop that is hard pressed to fit into any mold. Sample driven soundscapes provide the bed for clever rhymes covering subjects ranging from frustration and insecurity to love and spirituality. Having made music together since '99, with Stibs officially joining the group this year, BC is poised to bring their fresh sound to audiences and ipods everywhere who are eager the listen. With an humble yet loyal fanbase, which made their 2004 EP release, The Locals, an underground success, BC continues to buck the system and rock shows all over the south, creating a buzz in the underground that's getting louder and louder as ears pick up the vibe...
