Hard driving country music with a bang. 10 MP3 Songs COUNTRY: Outlaw Country, COUNTRY: Country Rock Details: Country singer/songwriter Danny Roberts recently completed the recording of his debut CD at Full Well Recording Studio in Phoenix Arizona. Roberts' passionate vocal delivery and masterful lyrics are extremely complemented by the top notch musicianship of his band. A new transplant to Arizona, having recently relocated to Phoenix from New York, Roberts was eager to find a group of musicians that would be able to deliver his visions to reality. He found these qualities in the Full Well Studios session band, The Plump Tones. The Plump Tones feature Jimi Powers on guitars and vocals, Phil Janzen on drums and percussion, Jeff Leece on bass guitar, Wilson Gillette on Pedal Steel guitar, and Mindy Nilson and Kristen Gillette on backing vocals. The band was extremely excited to work with Danny Roberts as his enthusiasm for the project was contagious. "Working with Danny, you can't help but be in a great mood and always putting your best foot forward. His positive attitude and openness to new ideas made everybody go that extra mile to make this record the absolute best it could be," states producer/engineer Mike Bolenbach. Everyone involved is very proud of their work on this record. The CD was produced and engineered by Mike Bolenbach at Full Well Recording Studio in Phoenix Arizona. Mastering by Roger Seibel at SAE Mastering. People who are interested in Waylon Jennings Willie Nelson The Outlaws should consider this download.
