Soulful, melodic pop/rock with jazzy, funky spices cooked up in a pot of JAM.. 13 MP3 Songs POP: 70's Pop, ROCK: Classic Rock Details: NY/NJ based David Easton The J Krew draw on diverse influences to create catchy, accessible pop/rock music. Here's what people are saying: "There's something pure about David Easton. He seems to have a direct connection to his soul when he sings and plays. His talent as a vocalist and keyboardist as well as the light inside him are undeniable." -- Lorraine Ferro, singer and voice teacher affiliated with National Academy of Popular music and Songwriter's Hall of Fame "David Easton is one of the most talented artists I've heard in NYC. He has a distinctive wide ranging classic rock voice, is a uniquely gifted keyboardist and a very talented songwriter...all in one impressive package. I certainly consider David to be on the verge of major breakthrough as an artist. Watch for him." --Ken Cedar, NYC Music Producer "David Easton is a man on fire. His music lights up a room and he knows how to get a crowd excited. All our clients rave about him and his talent." -- Linda Joyce, Director of Celestial Events "Good songs form the core of "You Got What You Wanted," but the skills of the players allow the band to slide into any area they choose. These are soulmen who can take it as far out as they want. Check 'em out, you'll be hearing more from these guys." --John Ziegler (PD @ KUMD-FM Duluth, MN) "Masterful and well worth listening to." Tony Bates (Highlands 100.7FM, Australia) Now a bit about the J-Krew : My man James Reeno on the drums flips the sticks with his fingers and thumbs when he breaks a beat those skins hum and the sound comes like lightning and thunder makes you wonder how he got so good with those pieces of wood but right now you should give it up for : James Reeno spazzoid.com Here's the skinny an a guy named Jimmy he's the funkiest white boy from here New Guinea got a groove that'll make you move got nothin to proove one set of his bass bumpin thumpin

somethin smooth you feel better than when you walked in the door get on the floor and he'll give you more... Jimmy Sullivan Now J. Armen on guitar rocks out harder than most by far solos screamin' and soarin' you can't ignore him he's got those strings doing things like they got wings He's sexy, he's charmin'...he's J. Armen J. Armen.net This band is hot and full of energy, with music that combines the best of pop/rock and jazzy/funky sensibilities that make for a highly listenable, yet not run-of-the-mill experience.
