Details: Real acoustic music and gifted songwriting from the heart of the great plains. Tim Duggan and Kevin Doyle have known each other since the fifth grade. They began playing music together as young men in the 80's, and eventually collaborated for two recordings, Something Out There in 1994 and Natural Progression in 1996. They met Scott Liebers in 1997 in Omaha, Nebraska, after hearing Scott's solo release, Acoustic Intuition. The idea for a recording grew out of some gigs they played in the Omaha area in the late 90's, and finally, Watching Time Walk is ready for the world. When not playing music, Scott works as a sound engineer in the Minneapolis area, MN. Tim is a professor of education at Northeastern Illinois University in Chicago, IL, and Kevin works for Douglas County in Omaha, NE. We look forward to hearing what you have to say about our music. We hope you enjoy it.
