Ethno World Chant Music 12 MP3 Songs NEW AGE: Healing, WORLD: World Fusion Details: An evocative collection of original chants and songs for inspiration and meditation by Ermina Tsounis, an inspirational composer/singer who shifts listeners to another time and place. Her powerful, original tonal and overtone throat singing awakens ancient memories, bringing forth the creative spirit within us all and the regenerative power of Gaia, earth, the foundation of step and breath. Lyrics, mantras and sacred names are in different languages. "My explorations into sound, voice, intention and "the message" began in 1995, as a means for healing, divination and enjoyment. It has taken me to great heights of awareness and has brought about the emergence of a unique style of throat singing (Tibetan and Tuvan influences)." All the songs are for our Earth Mother and the visions of a new era of peace and equanimity. "Music and rhythm find their way into the secret places of the soul". Plato
