The darker ironic side of love, filled with catchy acoustic melodies and lush harmonies that lend a bittersweet quality to the music. 13 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop Details: Evan Geller enters the land of bitter love songs and missed opportunities, but ultimately finds peace with the same demons that tried to bury him. (From Evan) A dear friend and former college professor Lyda Stillwell said to me, "For the person in the lyrics who is suffering so - for all of us who have loved and lost and have gone on... ahhhh the human experience. For what it is worth, in spite of the pain, it is good to have loved."
