Country Gospel 15 MP3 Songs COUNTRY: Country Gospel, COUNTRY: Old-Timey Details: At a funeral one day I was sitting in a pew listening to the preacher talk about the deceased, He talked about the deceased not being in the casket. Then I remembered what the bible says about this body being dust. From dust thou came and to dust thou shalt return. I wrote the song and was working on it, my wife Clara ask what is the name of that one. I told her that it was I won't Be There. She asked what kind of name is that for a song. I explained it to her, then I went and had it put on cd with a fiddle, and bass accompaniment. she like it so well she told me I want that song sang at my funeral. So I took the songs that she wanted and put them on a cd and took it to the funeral home where she will be taken on her death and had them to put it into the funeral package. I thought it a good idea and took one of the cd's to the funeral home where I have my pre-paid funeral, So I will be singing at my own service and the service of my dear wife. I do these songs at nursing homes and jams sessions. People who are interested in should consider this download.
