Latin Jazz dance grooves emerging from Cha Cha, Mambo, Rhmuba, and Salsa cascading into musicality symbiosis. Urbanity. Pulsating Beats. Swoops. Exuberant Rhythms. 7 MP3 Songs LATIN: Latin Jazz, LATIN: Salsa Details: The arrival of Grupo Sabor will excite both Latin and Jazz fans alike. The group started as a production team at Urbana Sounds in 1998, working the groove in audio, commercial and media projects that resulted in a few novel selections heard throughout Sabor de Urbano. The opener, Milagro, is an up-tempo piece that gives excursions to Eddie Palmieris' layouts. Overall, the project adopts modern harmonies and dance rhythms that grooves with a refreshing, contemporary direction. Some of the horn voicing has a jazzy edge in embracing a Latin Mix that produces multi-colorations. The CD thrives on creativity and nostalgia, an artistic response to being wonderfully mysterious and crafty, with anticipation - What's Happening Next ? ..... Keeping It Real ! ..... Above The Notes ! The Unit beautifully leverages its attraction with La Mambo Tiempo, concluding with a slow traditional mambo, confidently freeing its energy into a fast urban mambo and storming to victory as its returns to embraceable you.
