Imagine high energy, melodic, modern rock/funk - with the songwriting in the vein of Incubus, Red Hot Chili Peppers and Lenny Kravitz. 10 MP3 Songs URBAN/R&B: Funk, ROCK: Funk Rock Details: Formed in November of 1996, The band began writing and rehearsing for the next 6-7 months before heading to Zax Trax studios in Frederick, Maryland, where in just three days, they recorded and mixed "Steal This CD," which was released in January 1998. A year and a half later, with regional airplay helping the first cd reach a sold out status, found them in the studio again, this time recording their second independent release entitled "Evolve." Currently, the band has also taken part in three compilations : two of which have been released by Adrenaline Records, an Italian based label with distribution developing worldwide. Then in May 2000, Jason Ellison, the host and creator of 'The Cataclizmic Soundclash' radio show at 'WUOG - The University of Georgia' approached them about contributing a track for his label, Cataclizmic Records, first release entitled "Crossoverdose" which was released July 2000. The band continues to move forward, increasing their gig areas opening for other established artists, and writing and preparing songs for yet, the next CD. The band also has a live promotional video that is available for all interested parties.
