Jamesking, founded by Musician and composer Damir Duff Demirovic, is a melodic and lyrical fusion of the Pop, R&B and Funk genres. Inspired by a time when popular R&B/Funk was a means of musical expression and not just a formula, Jamesking creates intricate, smooth, hip and relevant music. Jamesking was formulated by 5 experienced and highly coveted musicians and songwriters; Ran Caspi on bass, Ilian Iliev on keys, Vlada Mladenovic on drums , Damir Demirovic on guitar and the sultry lead vocals of Gyles. Each member brings different skills and passions to the table and together they define the unique sound of Jamesking. Jamesking is just the right mix of old school R&B/funk with a modern pop twist to be something new. Already on the Toronto R&B scene, Gyles has performed with Juno-award nominees Jully Black, Camille Douglas and graced Carlos Morgans first single Baby Cmon appearing on Groove Essentials, Vol 1.
