

Mp3 Janet Drew - Starlight

[DOWNLOAD HERE](#)

Celtic and Appalachian influences weave their way through beautiful arrangements - from simple to symphonic - with Janet's unmistakable angelic voice, Starlight is sure to become a holiday favorite. 7 MP3 Songs WORLD: Celtic, FOLK: Appalachian Folk Show all album songs: Starlight Songs Details: Experience the magic and mystery of Christmas, with this 7 song EP by Janet Drew. Celtic and Appalachian influences weave their way through beautiful songs - from simple to symphonic. Piano, guitar, string ensemble, pennywhistle and percussion with Janets unmistakable voice, combine to kindle that magical anticipation we long for at the holidays. The title song, Starlight, an original by Janet, takes you from the moving violin introduction (I wonder as I wander) to the whispered verses interweaving the story of the Nativity and present day, to the sweeping chorus, and is sure to become one of your holiday favorites. If you long for a return to beautiful music this Christmas, that moves you and brings you back to the true meaning of the season, this little CD is for you! Listeners are left wanting more and wondering when she will make a full-length Christmas album.
