Jennifer Spengler is probably one of the most creative and interesting artists you've NEVER heard! With a steadily-growing fan base through MySpace (see link at bottom left on page), Jennifer is inspired to continue sharing her life and passions through music. This album, Back to the Wall, Limited Edition, is her first official self-release. Her style is ever-changing, and you will see her versatility and evolving style on the tracks of this album. "My Heart Me" is a favorite of many. "TodayTomorrowForeverAlways" is a love song like you've never heard. "Yo Sugar" has smooth vocals and a funky beat that many have raved about. The lyrics to "Retreat!" (and the reprise version) were written by Will Ransom. And each of the remaining 6 tracks has a charm of its own. *ALL NET PROFITS OF SALES OF THIS ALBUM GO TO WILL RANSOM TRANSPLANT FUND (willransomtransplantfund.com)* What people are saying... "Back to the Wall' [is] just so good! I've had it

on all week. It is such a mixture of sounds and styles - I'm still discovering new things with each new listen. There is so much happening in each track. [...] 'Why' is on repeat at the moment - superb. Play it loud!! [...] I've said it before and I'll say it again, I'm in awe of your talent! [...] This CD is bloody brilliant (said in my best Hugh Grant accent, oh yes). Anybody who hasn't got it is just missing out BIG TIME."

--Tim in Belgium "Support this terrific musician/songwriter and her big heart. [...] Plus, you get to listen to GOOD music. (Mine still travels in the van with me.)" --Trev. ----- JENNIFER SPENGLER BIO/INFO Jennifer tends to be comfortable in the green-blue-purple area of the spectrum, occasionally crossing over into the red. Take that however you want to... ;) Jennifer was born with music in her blood. She knew from the moment she entered her Kindergarten music class that she and music had a relationship that was uncommon and unlike anything else she'd ever felt... or would ever feel. She grew up with a musical mother and remembers going with her to her band practices and gigs: "It was always so exciting to see and hear my mother playing music. I would ache to be up on stage with her. I hoped one day that I'd be there singing my songs and delivering my own musical messages." Writing and composing songs from age 8, Jennifer's style has grown with her through the tribulations and triumphs in her life. Though her style is hard to categorize (she calls it "Neo-Pop"), there are elements of Rock, Pop, R&B, and even at times Hip-Hop and Techno; these styles mesh to form an intricate set of sounds that is unique and somewhat addictive. Whether it's a complex song production or just her and a piano/keyboard, Jennifer manages to convey emotion with soulful vocals and heartfelt lyrics. "I'm inspired by almost anything. Sadness, happiness, it doesn't matter. If there's something I feel, I'll write about it. It's my outlet; it's the way I find myself." Jennifer Spengler currently resides in NC and is actively pursuing a musical career. That's no easy task, and she's aware of that. "Hey, the hardships of this business can only create more great material!" One thing's for sure: This girl's got talent! -- PLEASE, IF YOU OWN A COPY OF THIS CD OR MP3S, LEAVE A REVIEW...
