Bluesy modern electro fuelled Rock with a dreamy lo-fi mood 10 MP3 Songs ROCK: Emo, ROCK: Modern Rock Details: Just a boy is the work of Patrick Snowsell a new solo artist from the U.K. This is the long awaited album titled " Tortured Soul". This whole album is very atmospheric, dreamy and with a bluesy lo-fi mood throughout. From dreamy strings, Beatles-esq piano's and buzzing synth sounds to deep electro bass sounds and atmospheric dreamy vocals. This funky, dreamy and melancholic organic guitar based album is superb. Featuring the Matchbox Radio 24 fave " Rock n' Roll" and the Boo Radley's-esq" Mr G". Think Jesus and Marychain crossed with the Boo Radleys/Brave Captain on holiday with Mercury Rev. Also featuring the lovely Motown 60's esq ballad " It's Only Me". This is classic lo-fi flowery but dark edged Indie music at it's best. Just a Boy.....Just an Indie bedroom masterpiece - Matchbox Recordings.
