A little bit of Acoustic, Pop Electronica, Drama Dance, whatever the mood desires, this CD has it 8 MP3 Songs ELECTRONIC: Dance, FOLK: like Joni Details: SunChild is Katherine's debut album. She receives high praises for her songwriting placing Runner Up in VH-1's Worldwide "Song of the Year" contest. An Entertainment journalist says her "lyrics are sensual and extremely well worded." The music has a "magnificent rhythm and strong flow." In another review of a song her voice was quoted as "angelic and beautiful" ..with "potent and lively musical composition" with "melodies and arrangement outstanding." She connects with the listener. " I love to watch the process of a song coming alive", says Katherine. She enjoys creating with a variey of musicians, which of course lends itself to a variety of styles within this album. "Everyone brings something special to a project." Remarks Katherine in a recent interview. We think this album is just that. Enjoy..Namaste
