Details: Who woulda thought I'd be releasing my first cd at the age of 67. This is a collection of songs that I have written over the years for my family and loved ones. Two years ago I met Jerry Lee "Smoochy" Smith at a family get together, where he played the piano and sang a few songs. Smoochy has recorded with Sun Studios and Stax Studios and he is a member of the Rockabilly Hall of Fame. He told me he has a small studio and invited me to come play some songs with him; maybe lay down a few tracks. So we got together and recorded some of my old songs and Smoochy liked them so much we decided I should make a cd.
