I hope you enjoy my work. I was born in Madrid, Spain, in 1987. Im young, I know, but I have been playing piano since I was seven years old. "Ruinas del Bosque" is my third album, so I have two old works, "Marais", my second one, and "Noches en la Isla" is the first. You can buy any of them by logging in at Soundkick.com. Feel free to visit my official website to know more about me (at the moment my website is only in Spanish). Id be very pleased if you contacted me telling your impressions about my music, either if you buy it or if you only listen to. Probably you have seen that "Ruinas del Bosque" is "permanently out of stock". If you want to buy "Ruinas del Bosque" you can do it via iTunes Music Store, Yahoo, Napster, Rhapsody, MSN Music, and many online music stores. Finally, I want to thank to all people who listen to and buy my work. It is more important for me your interest in my music and your opinion about it, than the money I could earn. Thank you very much.
