Bass, Keyboards Mike Marzullo: Drums, Percussion Joe Parsons: Drums, Percussion * Steve Kaye: Bass

** Quotes: "There's nothing better than a songwriter with a sense of melody and the intuition for a killer

hook. ...On October Sun, Mike Shupp delivers both of these skills in spades along with some great guitar

playing. ...Shupp's sound combines shreds of Marshall Crenshaw and John Hiatt wrapped around a

rough-hewn electric core that recalls The Replacements..." - Ed Yashinsky Mode Magazine Vol. 3, No. 10

* April, 1999 "...classic power pop elements... ...Songs like 'Letter to Annette' are rooted in the pop rock

tradition that suggests the Beatles, but actually begins with the early '70's group, Big Star..." - Mark

Jenkins Metro Connection, WAMU 88.5 FM January 24, 1998 11:55 a.m. "It works for Del Amitri, The

Jayhawks, and Gin Blossoms, now it works for [Mike Shupp]. 'It' is an earthy, guitar based sound, with

nice subtle harmonies that would work equally as well in a large concert hall, or on the back porch with a

couple of six packs..." - IMRS "A good album, full of guitar riffs and catchy hooks, well-written lyrics...

Smithereens/Toad the Wet Sprocket sound..." - DC Music WWWeb Issue 12 Volume 2 November 1997
