

## Mp3 Mojomama - Think.feel.love.listen

[DOWNLOAD HERE](#)

The powerful vocals of Jessica Rowand fronts this Upbeat Booty shaking Cd.Super Funky Rhythm section,ripping guitar work and soulful melodies.All you can handle in one album. 11 MP3 Songs BLUES: Funky Blues, ROCK: Funk Rock Details: Rocky Mountain based soulful, rock and funk band Mojomama releases a musical journey on their second album. Lead singer Jessica Rowand comes to life on this album and steps into your living room bringing you classic sounds reminiscent of Stevie Nicks, Bonnie Raitt and Aretha Franklin . The musical styles vary on the 11 songs from 70's R&B with horns to Latin flavored rock to Blues of the 40's era. The album is very mature and organic sounding throughout featuring great musicianship, thought provoking lyrics, and world class vocals . There is something for everyone on this album and when listened to in its entirety you will truly find yourself on a musical journey of your very own. The addition of a wonderful gospel choir featured on the tribute to New Orleans track Take it or leave it, further adds to the joy and celebration of life evident in this new music.
