Details: ACE...THE HOTTEST MALE IN RB/SOUL/POP TODAY Check OUT HIS CURRENT ALBUM "SIMPLY..." IN STORES NOW From the streets of Chicago and formerly from the group Public Announcement, "Ace" has arrived with a solo album sure to delight even the most fussy of music listeners. Take a ride with him from tracks 1-14 on a life's journey through a love affair with music. Not a Public Announcement album but guaranteed to tug at your heart strings and warm the coldest beds with that slow grinding, body bumping music. Ace has since parted ways with Public Announcement and has worked closely with highly regarded Producers in the Industry, who have produced for everyone from Johnnie Taylor, Bob Sager and a host of others. "Enlisting a Grammy Award winning staff of producers in George Jackson, Jerry Manery, Niko Lyras and Earl Powell, The Insomniacs and newcomer Jonathan Powell, "Ace" has masterfully put together one of the best albums of the year!" "Born out of love and bread in the fire of the Westside of Chicago, his will to create timeless music are sure to make him a force within the industry for years to come. From the midwest in the company of R. Kelly, Kanye West, Qaloo, Twista, Selena Johnson, Common, Gerald Levert, The Chi-lites and a host of others "Ace" is poised to become the next force in the music industry from the midwest. Please believe it!! FOREVER THE TRUTH!!!
