Spanking Machine's music unites fans of EBM, trance, synthpop and gothic. Discover a blend of chilling female vocals, dark electronic sounds and hard beats, with lyrics that help you escape the human world and enter into a luscious land of endless delight 14 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Trance Details: Spanking Machine has been a force on the West Coast club scene since the late 1990's. Through their live shows, DJ sets and fetish performances, they have continually shunned the expected path and offered crowds revolutionary sounds and visuals, providing the inspiration for countless acts and club nights that followed their path. With their current CD, "Now Lie In It", Spanking Machine seeks to further annihilate the clichés of dark electronic music and foster in a new age. Where captivating female vocals flourish within a bed of hard driving synth sounds. Where the energy of electronic dance music is delivered with the intensity of a live band. Where devotees of synthpop, industrial, trance and gothic music find enthralling common ground. Put "Now Lie In It" in your CD player and you'll find yourself escaping the human world and entering into a luscious land of endless delights - to finally emerge as the latex covered butterfly you have always dreamed of becoming. Most recently, Spanking Machine has taken their message to the masses with opening sets for The Thrill Kill Kult and Nina Hagen, as well as headlining appearances at major venues in Los Angeles, San Francisco and Portland. Club goers will also recognize the songs "Game" and "Konstruct" from their favorite night spot's playlist. International audiences will remember Spanking Machine from their appearances in Zillo and Succubus magazines in Germany. The band lineup is Mz. Victoria Kalimata, vocals; Lord Spanky, synth and guitar; and Kiki, bass. For more information, photos and tour information, visit the band's web sites: [SMdungeon.com](http://SMdungeon.com)
