

# O Say Can You See - James W. Moore

11 sessions. The way in which we (individually and collectively as a nation) view the world says a lot about our spiritual health. Moore uses eight passages from the book of Mark (along with other passages), to address the need to check our spiritual vision regularly. Are we seeing things clearly, or are we in desperate need of the Great Physician's care? Moore effectively presents the message that the solution to our problems lies in refocusing our eyes on God. Includes a study guide. Author: Moore, James W.
