Someone is trying to kill Susan Tanner. A Federation Fleet captain, she hasn't commanded a ship since losing Defiant ten years ago during a colony's bloody rebellion. Although vindicated at her court-martial, she still blames herself. Since then she has been Admiral Renford's personal security operative, a job for which she is eminently qualified because of her super-strong prosthetics and martial arts training. Now, again, she is given the opportunity to pilot a ship. Survey Service--the civilian organization that has taken over exploration of the galaxy--wants her for a job. Are her attackers stalking her because of Defiant's loss, trying to kill her as payment for the deaths of its crew? Or are they somehow connected with her new assignment? Susan does not know. The only two things she knows for certain are that after all those years she is finally being offered a shipboard command, and that she can't turn down such an opportunity. Author: Ellis, A. C.
