Turned into werewolves hundreds of years ago, Timber and his lover, Micah, have finally found peace high in the Colorado Rocky Mountains. Their clan is made up of werewolves from every walk of life and every sexual orientation. Far across the valley is another clan, and their leader, Jack, isn't happy about the abomination going on in Timber's neck of the woods. When Jack declares war, Timber attempts to reason with him and find a peaceful solution. The reasons behind Jack's hatred aren't clear, and Timber tries to learn his secret, but how many will die before he does so? Special Content Alert: Male/Male

Excerpt: The two men sat in front of the roaring fire in a comfortable silence while they ate their meal. Then Timberlin took the plates back to the tray and set them down. He stood and undressed as Micah watched. Timberlin could see the adoration in Micah's blue eyes, the perspiration beading on his forehead, and the color that touched his cheeks. Micah was so easily aroused by him and Timberlin loved it. He stood naked, ran one hand over his stomach to his cock and smoothed the flat of his hand over it, and then he crossed the floor to Micah and pulled him out of the chair. "I have never been so scared in my life," Timberlin said as his lips grazed Micah's cheek. "So was I," Micah whispered and ran his hands over

Timberlin's back. "I'm sorry. I know you were." "Not for myself." Micah pulled back, his gaze meeting Timberlin's. "I was afraid for you. I was afraid of how you would live, or wouldn't live, without me."

Timberlin chuckled. "Always thinking of me, aren't you? Come here." He tugged on Micah's clothing and then dropped the ruined garments on the floor. "Let's get you cleaned up. Look at your neck. Whatever that beast in the swamp was, it bit you. Does it hurt?" Micah raised his hand to his neck and felt of the wound. "No, it doesn't. Does yours?" "Mine?" Timberlin felt his own neck. "I hadn't realized it was even there." Micah peeled off the rest of his clothing and led Timberlin to the tub. "You get in first and I'll bathe you." Timberlin didn't need to be told twice. Micah knelt on the floor at one end of the tub and picked up the bar of soap. He lifted it to his nose and inhaled. "Ah, French," he said with a smile and then dipped the bar in the water and lathered his hands with it. He rubbed the suds over Timberlin's shoulders and down his chest, as Timberlin let his head fall back to rest on Micah's shoulder. The hot water, the scented soap, the feel of Micah's hands on his body, this was worth all the trouble he'd gone to in the swamp. Once he was clean, they switched places and Timberlin took his time washing Micah's body. After he'd washed him thoroughly, he moved his hands back over Micah's chest and stomach, while he nibbled his earlobe and moved his mouth to his neck and kissed him. His hands snaked their way over Micah's stomach, moving lower until his finger wound in the hair at the base of his cock. He felt Micah's cock twitch in response to his touch and trailed his fingers over the length of it and Micah shifted so Timberlin could get a better grip. Timberlin moved his fingers over Micah's dick to his balls, and then squeezed gently. He nibbled at Micah's ear and whispered, "I think we better get you to bed."
