

# The Judas Circle - Patricia O'connor

The story is based around a Californian housing development built by myself and my ex-husband. It took several years to build from acres of raw land littered with junk, old bikes, etc. Several attorneys and their assoxciates were paid vast sums to protect our interest but instead they used deception to take over the whole project. I'm proud of the finished homes, even though we have received no financial gain whatsoever and ended up in bankruptcy court.
