

# Wind And Solar Niche Blog + P L R

[DOWNLOAD HERE](#)

Wind And Solar niche is a good money maker using Clickbank products. Easily start a blog on this topic using this premade site and save yourself lots of hard work. This blog comes with a premium plugin that will allow you to easily install the whole blog package in practically less than five minutes. No more trouble installing Wordpress, messing with SQL files, myPhPAdmin, and messing with codes. In short, simply upload the blog package's file to your webhost, follow the three step installation and you're done! This blog comes with: Easy installation guide - Comes with 5 fully illustrated PDF Manual. Custom admin panel - Custom made admin panel to quickly and easily ad your ad codes, affiliate links, and banner promotions 40+ Pre-posted articles - These "starter" articles are already posted as part of the complete blog. PLR articles - Comes in .txt and .doc format. You have full PLR rights with this articles. You can sell, give away, and re-use any way you like. Its own logo - If you want to make the blog's logo unique for "branding" purposes, a PSD file is included for easy editing.
