You've purchased this product with Private Label Rights. You are free to sell it and keep 100 of the profits. Code Name: Power House Keith Wellman LAUNCH: The List FX Keith Wellman was a nobody not so long ago, and has turned into an "everybody". Meaning everybody wants to JV and work with Keith, and it's all because of his incredible marketing tactics... Learn the formula that Keith used to reach his \$100,000 goal with his launch. Know the difference and importance of having proven buyers on a list compared to a freebie seeker list and how much more money you can make with a good list of buyers. Discover all the hidden upsells and upgrades Keith had worked into his sales process and how it doubled his sales. Discover the conversions that Keith achieved on his List FX site on both the front end and the backend, and how you can do the same thing. Keith explains his complete pre-launch buzz strategies and how that helped create his run away hit. Learn the secret blog trick he used and how it brought him over 400 testimonials. Learn the importance that Keith's JV partner contest had on his sales and why you should always have a JV contest when launching a site. Learn how Keith used video in his pre-launch buzz and how it helped him get a ton of JV partners. Keith feels that without this one simple step he may

have only achieved 25 of his sales (The JV contest). Right about now, if I were you, I'd be wondering how much this coveted information costs... Well, first let me ask you this: how much is it worth to be sure your Product Launch will be successful? Put another way... if one tip or idea from listening to this interview would make you an extra \$10,000, \$20,000, or more...would you pay \$1,000 to know that information? IF YOU WERE SURE? Of course you would... ... and of course you're smart enough to know this interview isn't going to cost \$10,000 or even \$1,000. You won't have to pay anywhere close to that, and in fact, you'll pay a lot less. Tags: plr, mrr
