

F Wall Street - Joel Ponzio

[DOWNLOAD HERE](#)

"Look at market fluctuations as your friend rather than your enemy; profit from folly rather than participate in it." --Warren Buffett. Investors shouldn't hate the market because of its up and downs. They should capitalize on it--and give a middle finger to those brokers wasting their time (and money) buying and selling, viewing investing as just buying stocks and not taking ownership of a company. In this book, Joe Ponzio gives an "f-you" to Wall Street and teaches you how to become a sharp value investor who uses economic downturns to your advantage. By buying into companies you believe in--but that may be selling for less than their intrinsic value, like high-end retailers in a weak market and discount retailers in a strong one--you will profit from their long-term performance. It's the perfect guide for anyone fed up with Wall Street's bull.Author: Ponzio, Joel Publisher: Adams Media Illustration: N Language: ENG Title: F Wall Street Pages: 00288 (Encrypted PDF) On Sale: 2010-10-30 SKU-13/ISBN: 9781605500003 Category: Business & Economics : General
