It is their mission to spread the gospel of Jesus Christ through song, both instrumentally lyrically. You will be mesmerized by the sound of the sax accompanied by the fantastic band tones that are often laced with vocal harmonies! ADP's first CD, "Welcome To The Praise Zone" was released July 21, 2003. It contains a few of gospel music's greatest songs (Wade In The Water, I'm A Soldier, Precious Lord); performed with the flava/smoothness only ADP can deliver. This project also contains original material written, and growd by them that's guaranteed to bless your spirit. CD Synopsis - "Welcome To The Praise Zone" 1. Praise Zone Prelude 2.
