These are NOT your grandmother's hymns. Canned Band has never performed in concert. It has never traveled on the road. It has never recorded a video. It has no groupies. And it has never signed autographs. Canned Band chooses to remain anonymous. But the music will blow you away. Playing nothing but instrumental music, Canned Bands specialty is Feel Good Gospel. Traditional hymns, some of them hundreds of years old, have been arranged in what can best be described as an adult contemporary style with a beat, and it is everything BUT traditional. It is an unusual mixture of sampled and synthesized electric guitars and drums can be heard alongside flutes, saxophones, trumpets, and classical violinsbut NO pipe organs. The music can be listened to and enjoyed as it is or it can be used as accompaniment during a praise and worship service. Although its musical message of the Gospel of Christ is universal and timeless, people of all persuasions and all ages can enjoy Canned Bands rich tones and catchy melodies. This CD is unique because musicians can use it in ways that cant be done with most other music. The arrangements of each song are licensed under the Creative Commons Attribution-Share Alike 2.5 License. Basically, without resorting to all that boring legal-babble, musicians can FREELY alter, transform, or build upon this work under a license similar to this one! No hassles and no threatening calls from attorneys! Details can be found inside the CD box. So...if you want to listen to a pipe organ rendition of these timeless hymns, don't listen to Canned Band. These are NOT your grandmother's hymns.
