A charming and very well thought program of latin-american songs, a cristalin guitar repending to a clear and opened soprano are leading us through these mexican, brasilian and cuban compositions with a lot of caractere 26 MP3 Songs in this album (58:28) ! Related styles: CLASSICAL: Chamber Music, LATIN: Latin Folk Details: A solar duett, with a shining and expressive musical personality. They joined to contitute an original repertoire of english, mexican, french, german, italian, spagnish, swiss, brasilian, cuban ... compositions which they interpretate, create around the world. Of swiss and mexican origin, they both come out of swiss professional musicschools. They play in Europe and South america and the teach their art. Quin sab porqu :"Who knows why". We don't master our destiny is the theme of the first song of the album. It became the title of this CD. Except one or two songs, all of them speak of love with more or less melancholy. "We did not particularlyly search for love songs, they just came by themselves. Latin-american poetry overflows with these passionnated feelings. They fit tightly together and give a moving interpretation of Julio Cesar, Leo Brouwer, Villa-Lobos and Ponce compositions. LA TRIBUNE DE GENVE. (Geneva)
